I am deeply sorry for your loss. I benefited greatly from the Harry T. and Dorothy Zahars Medical scholarship back from 2000-2003. Their contribution helped me, along with many Lorain Country future physicians receive financial assistance. I proudly kept this award on my Curriculum Vitae and immediately remembered the name of this generous family when I saw the obituary. I am certain that the name of this kind philanthropist will evoke gratitude from many others in the area. Though I never got to meet her in person, the impact she and her husband had on my life is profound. I will continue to proudly display their name and generous award under "Awards and honors." I will also strive to pass along the spirit of charity to the next generation as the Zahars Family has. May you rest in peace and may your generous spirit permeate the world. Jordan P.
