Thoughts and prayers to the family at this difficult time , my heart goes out to you. I was shocked to hear this sad news. I was looking forward to Greg coming down to Florida and do some fishing. He came down awhile back and loved it down here, and his famous phrase this is AWESOME . And eventually moving down here since recently retiring. It was one of his passions , fishing and the Browns and his love for his dog Sammy. He was always there when somebody needed a expert in brick work, and came to Kentucky a couple of times to lend his expertise a couple times. He was the best! He was a great guy and will truly be missed by all. It saddens me after working so hard all those years, not getting to enjoy all retirement life! You will surely be missed my friend, see you on the other side.....Love Kurt& Teresa Roth God bless..

I have not seen Greg for a few years but thought about him often. I would see his FB posted from time to time. I had the pleasure of knowing Greg for a long time and we had a lot of fun together, till I moved to Indianapolis. He will be missed, but I'm glad he can see Tim again.
