I was absolutely stunned and deeply, deeply saddened to learn of Wease's passing. She and I went all through grade school together (St. Christopher's), high school (Magnificat) and two years at Bowling Green after which I left to pursue my working career. We had sooooo much fun growing up together. Even though we hadn't seen each other in years, we did at least share holiday greetings with small synopses of our lives at the time, so I wondered if everything was O.K. when I didn't hear from her this year. Bless her heart. May she rest in peace. With sincere sympathy, Marilyn Horwedel DePriest
