I was so saddened to hear about sweet Kristen's passing. She was a member of my English class at the JVS, and she nearly always brought sunshine to the classroom with her presence. God be with you all as you deal with your grief.

Please accept my condolences on the loss of your daughter, sister, fiance, aunt and friend. I met Kristen when she started her first day of preschool at Lorain County Rehab Center . She was the sweetest little girl with such a shining disposition despite the medical trials she faced and was blessed by wonderful parents in a loving home with big brother and sister. For a while I did keep up with her when she was working near me during her young twenties. Such a dear! My sympathies. "Miss Diane"
