Herb and I became quick friends through my fiance Laurel Stevens. He was a genuinely soft hearted man I thoroughly enjoyed being around. We enjoyed meals, big band music, cigars, and euchre together. I am sure his family and friends loved being around him with so many warm memories. I will miss him dearly.

There was just only one Herb Fulger. He was in a long line of very special people that I met over the years working for Glidden. It was always a pleasure to see him, talk with him and have a laugh or two. He just lifted your spirits with his genuine and sincere way.

Laurel, I am so sorry to hear about your father! Herb was one of those few people that everyone was glad to see. He had that big smile and great attitude and made all around him at that great Glidden company smile. He was a joy to know. God bless you all...
