Michael Bird Obituary

Michael L. Bird, 47, of Avon, passed away peacefully at home to be with the Lord on July 17, 2020 after a 3 year battle with cancer. He was born November 1, 1972 in Oberlin, and was a 1991 graduate of Elyria High School where he was a member of the National Honor Society. While at EHS, Mike earned 3 letters in baseball and 2 in football. During his senior season he set 2 passing records as the Pioneers' quarterback and was named to the All-County and All-Conference teams. In baseball, he earned All-County, All-Conference and All-District honors. During the summers, he enjoyed playing American Legion baseball for 3 years, and once pitched a no-hitter for his Elyria team. He went on to attend Ashland University on a partial baseball scholarship and later transferred to Ohio Wesleyan University where he continued his baseball career. As a senior, he was named to the All-Conference team for the North Coast Athletic Conference (NCAC). He also established the record for the lowest career ERA in the NCAC, a record which still stands today. Academically, he graduated from Ohio Wesleyan University in 1996 with a Bachelor's degree in Economics Management. Mike has been employed as a sales manager, most recently at the Brunswick office of Electric Power Systems. Mike was devoted to his family. He dedicated many hours to coaching his sons' baseball, basketball and football teams. He was a lifelong fan of all Cleveland sports teams, the Ohio State Buckeyes and more recently, the Avon Eagles. Mike enjoyed traveling with his family, particularly to the ocean shore. He also relished many hours at his family's Lake Erie cottage. With his many friends, he enjoyed playing golf, attending various sporting events, and participating in fantasy football. Mike was a member of the former Saint Paul United Church of Christ, where he served on Church Council, and the Lorain County Historical Society, where he volunteered at various fundraising events. Mike is survived by his wife of 14 years, Nicole (nee Hepburn); sons, Branson and Colton;

I had Mike in my class and knew his family from my time teaching at Elyria High. Mike was the epitome of the All-American Boy: just an all-around nice guy, so friendly to everyone and hardworking at whatever he did. This is an immeasurable loss for his loved ones, I know. I am so very sorry.

Dear Bill, We grieve for all of you. To lose a child, is the most dreaded of all experiences. I pray that you will somehow find peace and strength to continue on, as I am sure Mike would have wanted you to. I pray for your family in this tremendously difficult time. Mike was quite an athlete, and surely an good good man. Chris survived prostate cancer, unlike his father. We will be contributing to the the Zero Society in Micheal"s name. Sincerely, Dawn and Christopher Brandenburg
