Dear Jennette, So sorry for your loss and this belated sympathy. (I just learned of Jack's passing a few minutes ago) When I went to update my RAF Upper Heyford Reunion List. As you know Jack and I served together as orderly room clerks at the 3918th Air Base Squadron at RAF Upper Heyford, UK in the early 1960ies. We were also members of the Upper Heyford Marching Drill Team. Jack was a tall good-looking and sharp airman. While I was the ugly duckling of the orderly room. I have informed others who were on the drill team with us of Jack's passing. We both got a good start in the USAF at that orderly room. I am glad Jack made a career of the Air Force. I only served two enlistments as a clerk. Thanks for Jack's service to our country. He is a hero in my book. God Bless you and Jack's family. Jim Seymour

I will miss him dearly and dont know what to do..who I'm going to call...papa...you were my best friend, my king, my everything, I feared this day my whole life but I'm glad your no longer suffering.
