To all the teachers out there...you make a impact that you may not even realize. This is my third grade teacher and I loved her. When I got moved up from 2nd to 3rd grade, I was terrified. Leaving my friends, they were doing cursive, it was a whole different hallway even- (all scary stuff) -but seeing Dawn Marie helped that I knew somebody. Mrs Smith helped me adjust and catch up quickly and would ask me often if I was ok. But my biggest memory of her comes from LCCC. I was taking Spanish classes at the college at the time. We were having a breakfast and could invite anyone we wanted. I invited her and, to my shock, she accepted my invitation. So she met me at the college on a Saturday morning and we made huevos ranchero together. I was 7, maybe 8, and I still remember that like it was yesterday. RIP Mrs Smith Thank you for everything

My sixth grade teacher at Hamilton School 1959 - 1960 school year. One of the best of my educational years. Such good times back then. Also worked with her husband Henry for 25 years at the Elyria Post Office. My condolences to son Ken, who was my age and in my class and the entire Smith family. May God bless you all.
