Dear Scott, Whenever I feel down, all I'll have to do is picture the mischievous twinkle in your eyes, the Grand Devil in your smile, and the contagious energy in the stories you loved to tell. I'll sure miss the "unparalleled experience" of sharing lunch with you! Your friend, always! Rose

Hi, Scott! It was amazing that we "reconnected" at Hazel's Restaurant after all the years that had passed since I was a teacher and you were a student at Eastern Heights Junior High. I loved that you always called me "Joe" and that you got such a kick out of repeating the story of how I paddled you for "acting up" in 7th grade. Harry James, retired math teacher
