My cousin Larry was a unique child, teenager and adult who had a sharp wit and friendly personality his entire life. He loved his Italian family and we loved having him there. He spent a week in Florida next door to us and we so enjoyed spending the time with him. I only wish we had more time. Its never enough.

I'm very sorry to hear of Larry's passing. I had the privilege of performing with him a few times, and really enjoyed playing his songs. He was a unique and quirky man, and made life interesting for anyone who came into his orbit. RIP Sur.

I loved Larry and I am very saddened by this news. We met many years ago at Mike's Barn and I am honored to call Larry my friend. He was such an interesting and kind hearted person. On occasion, I would be able to book Larry into an Oberlin venue or at a show that I did at the Barn. His music, especially his vocals, were always intriguing. And how he remembered all those words, especially the Dylan lyrics, was simply a gift from God. I will miss him deeply. Sincerely, Barry Richard
