To my beautiful mother, you will be greatly missed and have left a great void in my heart, but knowing that you are in a much better place, knowing you are Sheltered in God's lovings arms and with your parents, sisters and brothersg gives me a great peace. I want to thank you for raising me the way you did. It set the foundation for the man I am today. When i hear so many songs it is a reminder of you and Thanks to Calvery i am not the man i used to be. Love forever your son James
