Our brother David is truly missed. Through his courageous battle with Gleo Blastoma Brain Cancer he did his best to remain positive. It was a difficult year watching him suffer, doing our best to care for him, support him, and love him. We are blessed that God gave us extra time to spend with him and know he was loved by all. We want to thank all his friends and family who came by to visit and make him smile, bringing food and all the prayers. As Dave would say....Way to be look'n out! God Bless
