Its been over a year since my grandpa has passed away and seeing him for the last time was the hardest part, along with the goodbye. But Dicken funeral home was so wonderful and amazing to our family and friends and really made the visitation and burial a sweet memory from the beautiful words spoken and the youthful way he looked for the last time. He looked healthy again and I was terrified I would see him the way he was when he was sick, but he looked absolutely great and I'm thankful to have that memory. On his year anniversary I actually called and spoke with Mr. Dicken himself and thanked him so much for helping my family and for being such a kind person to my grandpa when they were discussing arrangements. He told me a few things that were comforting and genuinely thoughtful from his heart that have helped me cope to this day.

I have enjoyed being your "bud" for almost 70 years! We were in Scouting together, played organized baseball together, stole your dad's car to go riding with the girls together, and made an unbelievable trip to Toledo to get fireworks together - a memory that I have NEVER stopped reminiscing about with select friends. I'm so glad we had that time together! I love you, 'Ozzie' ... may you rest in peace!

Jim aka as 'Ozzie' was a very special neighbor and classmate of mine at St. Stanislaus High School. I will always treasure the great memories we shared through the years, especially those evening car rides around the Old Neighborhood with Judy, Arvid and Joe. My thoughts and prayers are with Jim's loved ones. He will be missed. Lynda
