We are so sorry to hear of Megs passing. She was a great lady with a warm loving heart. We will always have fond memories of her. We were so blessed to have her in our lives for the time we did. Her ability and strength for overcoming the worst of things was incredible. Though she may not be here in body, her spirit will remain in the lives of every one who had the privilege of being able to call her friend. Rest peacefully Miss Meg. You will be missed by many. Love, Staci
