Our deepest sympathy go out to the family of such a dear lady whom we thought the world of. She loved her family and those great grandchildren made her so happy calling her GG. She talked of them with a big smile and glowed with love for them. She had a good life and loved family so much. We will miss her so much. I wish we could have been there more for her but our mom is also 90 years old and can't get around that well. We lived near Iola and loved her. Will miss her visits. Heaven gained a dear soul. Rest In Peace.
