To the Family of our dear Mary, How fortunate you are to have had Mary your entire life. The few years that I've known her was nothing shy of a wonderful time indeed. She always had a smile and compliment waiting or an ear to listen. She also helped comfort me during my own mother's passing in 2015. She is now Home, in Paradise with our Father. Come go with me to my Father's house. Rest friend until we meet again.
