I don't know if anyone will ever see this, but I'm in elyria and my little brother picked up an old used chess set from a retro shop and the inside has a signature: G.E Address. After looking around a bit online I found this and wanted to share. ❤️

I had just noticed his death notice. I worked at the WSFO, but I visited the CWSU and Jerry came to the weather office t times then after retirement to the XMAS parties. He was a great guy. He always had a smile.
