Thelma was my Nana and she was such a kind, giving soul. She was the glue that held this whole family together. Even after almost 9 years i still continue to miss her the same (if not more) than i did. That woman would give and give even when she had nothing, and she is the sole reason i know what real love is to this day.

Paula, we were saddened to hear of your mother's passing. I especially wanted to let you know that I enjoyed every chance I got to see her, talk and laugh with her. She always welcomed me with the warmest hugs and always had a smile on her face. I am truly blessed to have known her. Love and Prayers.

Dear Paula, Eddie, Roger and family, I was so sad to hear that your mother passed away. It is bittersweet as we do not want to have a loved one pass away, but neither do we want to see them suffer. Instead of praying for your mom, now you can pray to her. This thought brings me great comfort over the loss of my dad so many years ago. You will be touched by your mom in so many ways. I am glad I had the brief time with her in the hospital. We reminisced over so many things from our days of working at EMH! I am sorry that I cannot attend her service this Wednesday. I will be with you in thoughts and prayers. May Gob bless and comfort you in your time of sorrow. Yours in Christ and love, Ted Kerecz (Mercy Regional Medical Center Echo Tech)
