Timothy Allen posted:

Mr. Bolland was a teacher of mine at Ohio University in 1972-1973. I recall his classroom and his teaching skills on the subjects of professional decorum and Business (personal) organization. This served me well in my long I/T career that culminated in retirement after 27 years at my most recent employer GE in Cincinnati. I wanted to honor him and his legacy with this note. May you Rest In Peace. Tim Allen.
