Maureen Donich posted:

Ann was an important and talented part of the YWCA creative team of guest instructors, during my time on the staff in the 1980's. She actively shared her many talents with our members, helping us to create personalized "works of art" for our homes and gifts. First and foremost, she was a a loyal and spirited friend to all of us. I have wonderful memories of Ann and will keep her family in my prayers.
