Dear Laura & Family, I am so very sorry for your loss. I started the same year at Kalt & remember when David first started. I remember how proud he was of his children & how much family truly meant to him. He was a bit shy & private but he would truly shine when asked about you, Laura, & his children. I remember when David would bring in some of his favorite dishes to share then hand out the recipes-I remember thinking what a special, kind, thoughtful gesture. Plus they were really good! Know that Bill & I are praying for you & holding in our hearts, Donna & Bill Renninger
