Shocked to hear about this. My father (Andrew Bukowski - RIP) was very fond of his nieces and nephews and would always want to visit with "Deanie" when we would visit Uncle Albert in Ohio. Since both my parents have passed, I don't really get to see any of my cousins - and am sad to hear of the passing of Dean.

Sharon I would like to give you my deepest sympathy. I went to school with Dean and hung around with Linda. I lost my husband when I was 48 and it still hurts to this day. I keep busy with my grandkids but still so lonely . Dean was a very nice guy. God be with you during this difficult time. Pat

Sharon, Amy, and Kelly, So sorry to hear about Dean. I have so many great memories of Dean when we lived next to you guys on Salem Ave. He was always happy with his shorts on and no shirt of course and always willing to help me cut the grass or kill a snake in the backyard. Sharon, your an amazing person, I know this has to be so hard. My thoughts and prayers are with you and your family. Take care!
