Dave, Kathy and Sandy, We are all going to miss "Mom" a lot. She was a very special person and she will always be my second Mom. While I was thinking of all of you last night I had a funny thought to share. I hope she taught her daughters how to make certain delicious foods that they can share with their brother. Dave will know which ones. It makes me tear up just remembering past times with both of your parents.

A wife, a mother, a grandma too, This is the legacy we have from you. You taught us love and how to fight, You gave us strength, you gave us might. A stronger person would be hard to find, And in your heart, you were always kind. You fought for us all in one way or another, Not just as a wife not just as a mother. For all of us you gave your best, Now the time has come for you to rest. So go in peace, youâ€™ve earned your sleep, Your love in our hearts, weâ€™ll eternally keep. You will be forever in our hearts.
