Hello Scott, I'm sorry to hear of your mom's passing. My family extends to you our deepest sympathies. While the hole in your heart can never be filled, I pray that you find comfort in the loving memories of her. I have many fond memories of your whole family. Your mom and dad were always nice to me and I always felt welcome in your home. I remember playing with your army men, going to your house after school, pretending to be the Beatles in your living room, riding you dogs, fixing up the dog house, the station wagon, going to see our first concert (the Beach Boys & Loving Spoonfull), playing in your yard, and many other happy times. Your mother was always there, but she never got in the way. You are very lucky to have had such a great mom. You and your family are in my prayers. Your old friend, Dave

Herald, Scott & John, I just wanted to send my condolences from a very long lost friend! I fondly remember your mom from way back in our Berkshire Road days! She was amazing. I don't know where the time has gone, but I am glad you had many years together and I hope that you are all well. With sincere sympathy, Nancy Wilcox Vacante - - - (PS - John ... I see from the obit that you live in Belmont, MA ... If you ever bop over to Martha's Vineyard, let me know as I spend my summers there and it would be great to see you sometime!)
