For every fear that shakes your peace. For every night you feel alone. For every moment you lose a little hope. There is an angel who whispers, "I am Here." Susan I wanted you to know I remember you at this time. Your mom was a very sweet lady I had the pleasure of knowing in our childhood days. You not only have your mom up there you have your sweet sister Jane. My mom will be gone 14 years tomorrow. As the song says, Those were the good old days. May they RIP and blessings to you and your family.
