I am so sorry about the loss of Pam! I've always considered her one of my dearest friends! I was unable to attend her showing or services today, due to having gr.children visit and both of them being ill! Arionna and Elijah Carter had wanted to attend also, they have very fond memories of Pam as well as treasuring the ceramic plates she made for both of them with their names on them! Please feel free to contact me if there's ever a chance that you just need someone to talk to!!
