My prayers go out to all the family & friends of Gene & Jason. If you need anything or someone to talk to, call me-You know how to reach me. Gene lived a very closed life and for those that he allowed to be part of his life(friends), I am glad to have been his friend. I lost touch w/Gene because my life carried me elsewhere. Even though he has passed away-He still lives. In JOHN 11:25-26 Jesus said , "I am the resurrection & the Life: He that believeth in Me, though he were dead, yet shall he live. Whosoever liveth & believeth in Me shall never die. Believest thou this.
