Hello Daley family, I'm Ron and I helped your Dad with computer issues over the years. We became good friends and I took him to Camp Perry once and to an airgun store. We really had a good time together and he loved looking at the military hardware at Camp Perry. He was a wonderful person, and I'm very sorry that you lost someone dear. I visited him once at the Manor and was going to call Jim and go again, - then I saw of his passing. We are diminished by his passing. I will miss him too. Sincerely, Ron Nosack

I was a classmate of your mom's and remember her and your dad very well. I have fond memories of visiting your home for "club" and seeing them at our class reunions. My deepest sympathy to all you children and your families.
