Hi Heidi,It's a wonderful book and I have it too. I aalculty have the original version that was my Moms and I have the updated version as well. I wish you were here. I don't have anyone to format discs or accompany students in the festival. Faye isn't doing any this year. She has over 30 or 60 (forget the number) at Long and MacQuaides and is the organist and choir director at Zion Presbyterian church. I only have two singing this year (3 solos total). I only have 4 children in total. I would like more but that's it for this year.
