My deepest sympathy to you, Jeff, Edie, and family. Although I didn't know your mom, I heard of your loss and wanted to send condolences since I knew you both from working with you in the years back. Your mom sounded like a fun-loving lady with all her interests. May she rest in peace and may you find comfort in knowing that others care.

Gram I can't imagine life with out you. You were such a big part of my life and were around so much for Carrie and I. I know it's selfish but I wish you were still here with us. But, you were suffering so much, I know you are in much better place. Heaven gained another angel. I love you so much. Thank you for being such a selfless and wonderful Grandmother to all of us Grandkids. XOXO
