Jan and I started school together at East Carlisle and finished school together at Midview High. I remember going to her house after school on day and her grandma had been there and had spelled her name "Janet" out on her bed with coins. I thought that was the coolest thing. May God bless you all. Please tell Mary that I am thinking of and praying for her.

Very sorry for your loss. Jan was a friend of mine in the 70's, when we were young and carefree. I will always remember Jan as being that young and carefree girl.
