Said during thunder and lightning... O Lord, be between us and harm and protect us from the harm of the world. An Old Irish Blessing May love and laughter light your days, and warm your heart and home. May good and faithful friends be yours, wherever you may roam. May peace and plenty bless your world with joy that long endures. May all life's passing seasons

Dearest Grandma, We have been so blessed to have you as our Grandmother. Every memory I have of you makes me smile. You were always watching and listening and shared your stories with all of us, you even tickled your self with some of them. One of my special memories is when you brought Jim to meet us. You were so happy and reminded me of a giddish school girl. (You gave me a story to tell) Thank you for sharing your love and life with us, you will be truly missed. I know you are with the lord and I will see again someday.
