Grandma, Thank you for everything you taught me and gave to me throughout your life. I will miss our random trips to dairy queen and staying up late on Saturday nights to share a bowl of butter pecan ice-cream. Waking up early to go to Sunday school and the hot summer days when you would let me help jar home-made strawberry jam. My fondest memories have always been those that I spent with you. I came to know Jesus through you and that is the greatest gift you could have given me. Grandma, I love you and I know that you are at peace and one day I will get to be with you again...

Janice and children were our good friends and neighbors when we lived on Diagonal Road back in the 1970's. Janice was a great cook and Sue is still using some of her recipes today. We send our sincere condolences and prayers for the family.
