I just received the obituary this am from John and Barb. I am so sorry. I tried to find an address to find out about her last year when I was down there for a class reunion and visiting John and Barb but couldn't find Donna's address etc. She was such a wonderful, special lady. I feel like losing "Mom" all over again. Love to all. Ruth

So sorry for your loss. She was a grand lady. We know how you feel as Hazel lost her mother last week. We didn't get the notice in time to come or even send flowers
